“ To all the family of Barbara Ann. Please accept my sincere and heart felt condolences during this difficult time. I know you all must be hurting, but I also know she left you all with lots of love, laughter, memories and a legacy to continue. May God give you strength and continue to wrap his loving arms around all of you. May you all remember that you will see each other again as death is not final resting place for those who believe. She will be missed and may she rest in heavenly peace.
