“ Hearts, arms and prayers are being extended from my family to yours! Please accept our deepest condolences for the loss of your mom. I pray that the Lord sends his ministering angels to encamp themselves around you all during your time of sorrow.

Ms. Drayton was such a beautiful woman and taught me a great deal of life lessons, some of which I have taught my daughter, and will continue to teach my grandchildren and I can't thank her enough for those valuable lessons. She will be deeply missed and forever in our hearts.

“ Deepest sympathy to Clayton ,Darryl and the rest of the family. She was one of th many moms on Knox St that checked the kids in if they were acting out. Those days are long gone and that’s why these kids now are out of control. Rest On
