“ I remember Miss Addie live next-door to the Gilmore family and she always hot comb my hair. She will have it look nice straight and silky and I have not had my hair done like that before. I'm a miss Miss Addie but I know she's in a better place she's up there with all of her old buddies the three musketeers, Beverly, Addie those are Miss Addie running partners, so I know they was waiting at the gate for her so she's in good hands.
