“ To the Moore Family,
Jalen and I would like to express our deepest sympathy to you.
While the Bible says Alan is resting now, he is asleep in death and
we the living have all the worries. He was a great role model to the
kids as he helped coach my son. My son always had great things to
say about him. He will be missed.

“ To the Moore family my deepest sympathy is with you. Alan was a pleasure to work with he always had a warm smile on his face. He attended Eli Whitney with my daughter, and occasionally would ask about her in which, he was a caring person. God bless your family and may heaven smile on Alan

“ To Moore Family:

Sorry for your lost. Alan was very special to us and we will miss him a lot... always special at Halloween, he was the best custome of the company every year. Very quiet, and very respectable, may God have him next to his wings.

“ To The Moore Family

*Alan was so young when he joined us, and now, too young to "leave" us. He was a pleasant co-worker. I will miss him.
Peace be with you, and may Heaven smile on him.
With heartfelt condolences*
