“ *To the Bell family, I am sorry for your loss, I would often think about Buddy and his entire family because we played together shelled peanuts, corn or whatever the crop was if you were around Prelean (as Mrs. Eva Mae called him) you worked no matter who you were I haven't seen much of Buddy in his adult life. but according to his obituary he had a full life and for that family you can be thankful. May God bless each of you in a special way. Margie Ann Wilmington ,N C*
