“ To the Barnes family I offer my heartfelt condolences and prayers for you. When I think of Sis Barnes, as I always called her, I remember her energy and laughter and our singing in the choir together, which was known as the Gospel Chorus, and other times of Church fellowship together. Sister Barnes, you will be greatly missed, but I am looking forward to seeing you again as we sing and fellowship together around God’s throne.

“ Though I only knew Alice for a short time, she made an indelible impression. She was such a great help to my father during his rehabilitation from a fall. She always had a kind word and laughed easily. She will be greatly missed.

*I will miss you Auntie Alice. Thank you for loving me from day one into the family and for always being supportive, thoughtful, and caring. Thank you for being that Auntie who you knew would only ask you to do something once so you got it done right away. The sweetest soul, but you would get to business quick. Thank you for always opening up your home for laughter, memories and a fantastic meal. I love you and will miss you. Love Dana and Baughns Family.*
