“ Dear Arlester (Buzz) & family,
Please accept our sincere condolences upon the passing of your beloved mother. We know that you loved her dearly.

"A Mother's love is something that no one can explain, it is made of deep devotion and of sacrifice and pain. It is endless and unselfish and enduring come what may - for nothing can destroy it or take that love away..."

- Helen Steiner Rice

May these words and the prayers of those who care, comfort and strengthen you during this difficult time.

From our heart to yours...

“ Sorry for the death of your love on,
It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear.

. Is it reasonable to think that God's only purpose for man is that he spend twenty years growing up, perhaps another twenty or thirty years gaining knowledge and experience, and shortly thereafter begin to grow old, suffer from sickness and die? Why should man's life be so short when even a turtle may live to the age of two hundred years and a tree may live far longer? God made man to live, not to die.

The Creator promises that soon it will be possible to enjoy life everlastingly, right here on earth. (John 5:28-29)(Isaiah 25:8) (PSALMS 37:29) With peace-loving neighbors, good health and satisfying activity to fill our lives, what a pleasure that will be! I would be glad to send you some literature on A Sure Hope for the Dead
Sincerely

“ Dear Family,
Let the memories continue to linger. Let the laughter come back to your hearts. The mourning will leave hurt in your hearts. After your mourning is over and you have accepted God's will for Alice (Dee Dee), your wife, mother, grandmother, a friend, May the joy in knowing the Lord will bring you comfort and peace. We love you family, and are keeping you in our thoughts and prayers.
