

Alma Langley

May 7, 1955 - October 9, 2023

On May 7, 1955, in Hartsville, South Carolina, Alma Bernice (Wright) Langley was born to Carl Milton Wright Sr. and Thelma Lee Wright. She spent her childhood in South Carolina and afterward in New Haven, CT, where she built her life. She attended Troop School and Richard C. Lee High School in New Haven where she was a cheerleader. She married Furman B. Langley on June 17, 1983. Together, they raised 2 kids, Michael and Charles Langley.

Spending just a few minutes in her presence would leave you smiling. She enjoyed watching Westerns, swimming, and trips to Walmart. She had a passion for creativity and used her talents to create jewelry, scrapbook, crochet, and sew. She kept everyone around her laughing. She was an active member of St. Martin de Porres Church. Over the years, you could find her teaching catechism classes, directing summer school, and performing the duties of eucharistic minister. She will always be remembered for her kind, loving heart and sense of humor. Whether you knew her from the hallways and classrooms of Conte West Hills, church, or crossing paths in life, one fact will always be well known: she was a precious gem whose warmth and kindness will forever live on in our hearts.

Alma is predeceased by her mother, Thelma Lee Wright; her father, Carl Milton Wright Sr.; her sister, Dora Lee Perkins; her granddaughter, Jazira; and her brother-in-law, David Holmes. She is survived by her husband, Furman;

two children, Mike and Charlie; her siblings, Angelene, Carletta, James Sr., and Carl Jr.; six grandchildren: James Jr, Lanaiya, Charlee, Kyleigh, Amya, and Mikayla, nieces, nephews, cousins and a host of other hearts and lives that she has touched.

“ Continuing my story. Bernie never met a stranger. She will be missed. Hold on to the good conversations and when you start missing her think of something that she said which made you laugh this will get you through your day. We have to learn how to live with the hurt but don't allow the hurt to take over you. God Bless you all.

“ To the family. There's another Angel watching over you all and with a humble Spirit there's nothing wrong. God has her and God has you too. God puts no more on us that we can bare, just lean on your faith and it will get you through. Bernie was a gentle person. I remember one day at Lee High she approached me and asked me if I want to be on the cheerleading squad I jumped at the chance well, I went to the tryouts and I just couldn't jump high enough, Bernie worked with, but I still couldn't get it. So with a big smile on her face she said you know what Tang you have a loud voice (at the time I did Lol) you will be good on the pep squad. Well the story goes I turned that offer down. Bernie was a very nice person she never met a

“ *To The Wright Family,
I send my deepest condolences, to you. I am a former Middle
school and High school friend of Bernie. I never called her Alma, it
was always Bernie or Bern.
She would always call me Jo. The earth has lost a precious jewel.
Rest well dear friend.*
