

Alvera Dortche

July 14, 1928 - July 19, 2022

Alvera Senior Dortche, 92 entered eternal rest on Tuesday July 19, 2022. She was born July 14, 1930 in Winston Salem, North Carolina to the late Marshall Senior and Victoria Pressely Senior who wait for their child beyond the garden walls of Heaven. She was the loving wife of the late Alton Dortche. Aunt Snooky, as she was affectionately called, was famous for baking cookies during the Christmas season. She would make tins of cookies as gifts for her family and friends. We looked forward to those cookies every year. Alvera was employed as a C.N.A for many years before retiring. She leave to cherish her memory, her only remaining sibling, Sara Senior Robinson; sister-in-laws, Maple Senior and Marlan Dortche; and many nieces and nephews. Sadly her nephew Clifford (Rocky) and his wife Adrienne are left with a tremendous void as they took Alvera shopping, farming and sometimes they just took her out for a ride because Aunt Snookie always liked to stay on the move. Upon the passing of her husband, Rocky took up with delight, the mantle of caring for her. When you saw one or the other , you knew they were together. In addition to her parents and her husband, she was predeceased by her siblings, Marshall II, Mary, George, Nancy, Willie, and Joseph

“ *I would like to send my deepest condolences to the Dortche and Robinson family. A good friend I met 5 years ago. I remember the first day I met her. I had to get a cart for her from her sister house. She was the most sweetest person that I could have met. She would call her sister everyday for the past 5 years, every since I have been there. She would ask her sister when I would come into work, is Ty there, her sister would give me the phone and she would ask me, how was I doing today and then she would ask me about something she wanted to know. Before I would hang up from the phone with her, I would always tell her I loved you. I still love her even though she in not here. Her love will always be in my heart. You will be missed. It was such a pleasure that God gave me an opportunity to know such a lovely spirit.*
