“ *I am going to miss you so much mom. I love you dearly. I'm going to miss your heart warming bright gold tooth smile. You always showed everyone around you respect and love even if you didnt know them. You always had something funny to say which made your surroundings more pleasant. I am especially going to miss the big smile you put on my face when after I told you I love you and you would quickly respond in English with a strong spanish accent "I love you me too". I know you can see me smiling right now at this moment as i reminisce. And i know you are saying "I love you me too" to me as you're looking at me from heaven. With much love from deep in my heart, your youngest son, Jesus M Torres.*
