“ *I just want to tell you that I am deeply sorry for your loss. I met Andre (Q) while I was working at Mark Motors and had the pleasure of his company for hours at a time on several occasions while he was getting repairs to his car or just there to hang around. He always brought a smile to my face with some kind of comment or joke and was really a good person. Whether he was just lounging on the couch in my office or I was splitting my lunch with him that I had bought at Adriana's he was just fun to be around. I do not work there any more and had not seen him in months but I did enjoy his company and his humor. Please also be sure to tell Marcus and the rest of the family that you are in my prayers. One last thing, my mother takes care of his Grandfather at Haven Health and is taking very good care of him at this time when he needs it most. God Bless your family.*
