“ *I pray The Lord wraps his arms around the family during this difficult time. I wish I was able to come and pay my respects to you, Drew and let your nephew see you one last time. I pray everyone finds healing and to know that you are resting peacefully. Love you always, Your nephew Karter and Melissa*

“ *I remember Andy so well. He was one of my favorite students at Northwest Village School. His smile was infectious. He had genuine charm and a good heart. He invited myself and another teacher to the restaurant he worked at because he was so proud of his accomplishments - and he did his job well! I have thought about him often over the years. My thoughts and prayers go out to his family and friends.*
