“ *Back in the day, Marie did my hair every Saturday. Every now and then I will go back to her because she could press and curl w/o a doubt. Today I went to Vi-ette, to make appointment with her and found out that she had gone home to God's House. Vickie, your mother and I always had fun at my appointments, she could make me laugh at the drop of a hat. My condolence go out to you and your family.*
