“ I am so sorry to hear of the passing of your loved one. She fought a long battle and now has finished her course and is resting in the arms of the Father. Stay strong for each other and look forward to the day when you will meet her on high. There is no sorry that God cannot heal.

“ To The Hellamns/Boston Family

Sending you our deepest sympathies. May your memories of Annette bring you comfort. Remember the special times you had with her and the special qualities that she possessed. She was "TRULY" a child of God. Sitting on my desk at work is the mirror I was given by her that she handed out at her initial sermon.

*I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change*
