“ *I spent time in Ms. Beatrice's company on only two occasions, and briefly at that. But I found out after the fact that she paid me a very kind compliment on the first occasion on which I met her. And as a sister of Betty Perkins, my Dad's wonderful nurse/caregiver for almost 5 years, there is no way that Beatrice could be anything but a kind and wonderful person herself, given she shares the same genes.*

:-D

Heaven has another Angel with Dear Beatrice.

Deepest sympathy and love to the family,
