“ Buff, the heavens just got a little more melodious. I know you're walking around heaven singing all day long. I will remember with fondness how you would start singing an old school song, thinking I didn't know it...we would end up singing it together and laughing. And now, you've got your wings....no more pain, just music and joy. Rest well in His care my friend. You will be missed.

“ *Buff I know you're singing all day long, making the heavens just a little more melodious. I will smile when I remember the times you thought you came up with a song I didn't know...and we broke out singing together and laughing. And now you've got your wings...no more pain, now you are free...sing on my friend. Rest well in His care. I will miss you.*
