I was saddened to hear the news about Michael's death. My thoughts and prayers are with you and your loved ones during this difficult time.

I am so happy that I got a chance to see Michael, during one of his visits to Atlanta on his way to Perry Ga. We had an opportunity talk about cherished childhood memories and his daughter Kayla who he loved dearly.

We talked about our many adventures walking to Katherine Brennan and playing together from kindergarten and beyond. As with all of us who grew up in Brookside, we are so blessed to have a lifetime of fond memories to share. What a beautiful day that was. Remember that "those who live in the hearts of others never die"

I love you all and I know that God's strength will hold you during this time of loss.
