

## April Gray

September 15, 1973 - May 3, 2025

### Celebrating the Life of April

With heavy hearts, we announce the passing of our beloved April Gray, who chose her own journey to be with our Heavenly Father on May 3, 2025, after a courageous battle with cancer. Born on September 15, 1973, April was only 51 years old, but in that short time, she touched countless lives with her vibrant spirit, infectious laugh, and boundless love.

April lived with a grace that inspired all who knew her. With her strength in the face of adversity was a testament to her unbreakable character and determination. She lived life with purpose, finding joy in the smallest moments and always seeking to bring light to others. Whether it was through her unwavering support of friends and family or her passionate pursuit of traveling. April had a gift for making everyone feel seen and valued.

Though her time with us was brief, the impact she made was immeasurable. April taught us all how to love deeply, laugh freely, and live fully, and being unapologetically yourself even in the hardest of times. Her spirit will live on in the memories she created, the lessons she taught us, and the love she shared.

Service will be held for family and close friends on Saturday May 17th at 9am. If you would like to send flowers, it is April's request that the flowers are white. Forever loved, April, you will always be missed.
