“ *I am sending my deepest condolences to my aunt's family, my mother's(ShereAnne)older sister. Although I haven't met the 40 grandchildren(my cousins), I look forward to meeting you all so we can grieve & find comfort in each other in knowing that Arlene is finally resting & is in no more pain. God Bless our family and hopefully this can & will bring us closer as a family! RIP Aunt Cissy. You will be missed.*
