“ *Alley, Rise in Paradise. "There was a woman that had no religion yet she was good to her neighbor. She live on the bottom of a hill. Everyday the neighbor would empty their waste bucket out of a window. And everyday the waste from her neighbors house would roll down the hill, into the woman's yard. Rather disturb her neighbor, the woman always clean the waste up that flowed into her yard, from her neighbors house". Alley was a good person, with a good heart and that was good to his neighbor and the neighborhood.*
