“ *To My Loving Sister Barbara Whom I Loved Dearly, And Am Going To Miss You So Much, I just want to reflect on all the good times we had together through conversations on the phone we would talk for hours about everything, it was a short time as we had connected with one another after all those years being separated from one another, it was God Sent that we got together to be with one another and I will always treasure those times, I am truly going to Miss You My Love and I know you are Happy Up There with Our Lord and Savior Christ Jesus...Love Teresa & Family from the VA..*
