“ I was thinking about Belinda about a few weeks ago, my intent was to inbox her on fb and say hello just to see how she was doing she stayed on my mind for a that whole week. When I got a call on the 12th from one of my cousins who also knows her asking me did I know she had passed all I could say was, "this is the true definition of do it to day because tomorrow is not promised to us!" I sure wish I would have inboxed her on fb. I basically grew up with Belinda since about 5th grade she was a little older than me but we were friends. I lived on Hallock St and she lived on West St. I would go visit her almost everyday after school. When I moved to the Newhall Ville part of town we lost contact. About 8 yrs ago we reunited and exchanged #'s and lost contact again. Sure wish we could've reunited again she was a true friend and all the memories we did get a chance to share I will forever remember it. Belinda imma miss u and Sleep in Paradise my friend.

4ever my friend!
