“ I'm so saddened by the news of my buddy and friend Bernard passing. I remember meeting him for the first time at a party. I told him he was going to dance my legs off....We talk and talk and talk and he always stayed in touch. He was one of those friends that will make you smile when you didn't want to smile. And I'm going to miss him dearly. God bless your family and Bernard make those angels smile like you kept me smiling.... miss you
