“ *To the Browns family..*

The last picture in my memory of Mom Brown is having her sitting in the kitchen chair. It was summer and the kids where playing in the backyard and in front of the house. The smile in her face when she was watching Taylem and Norman playing in that little pool will stay with me as long as I breath.

I dont know if it is Æ²f any help in your day-in day-out business, but what I`ve learned in my livetime was that sorrow stays with he living.

Love is what she gave to me, and loving memories are what I can share with you ..
