“ *A light from our family is gone. A voice we loved is stilled. A place is vacant in the home, which never can be filled.*

*We have to mourn the loss of one we would've loved to keep, but God who surely loved her best, has finally made her sleep.*

*After a lifetime of her love, joy and music to fill our ears, God leaves these wondrous memories to help us through our tears.*

*Family let's image it this way.....*

*God looked around his garden and found an empty space.*

*Then He looked down from heaven and saw her tired face.*

*He put his arms around her and lifted her to rest*

*God's garden must be beautiful*

*Because He only takes the BEST.*

*Love you family,*
