*So Long My Dear Friend
So long my dear friend,
The time we wasted and the time we bent,
The times we faced and now I brace,
For the day I wait to see your face*

*I'll hold my glass up high,
To when we make a toast for you,
Because I'll know, when I look up at the sky,
You'll be staring down straight into my eye*

*An unexpected death you were,
I promise to look after her,
I know you would've done the same for me,
So rest in peace my friend,
I'll see you again when I can no longer see*

*For all the sorrows that were shed today,
The memories most visual on this day,
For I will carry our memories till the day I die,
For I know today is not our last goodbye*

*My will I will carry,
But today we bury,
On this earth, you leave for daughter,
For it was our brother, the slaughter*

*So as we stand upon your grave,
For your daughter, I promise to be brave,
For I'll treat her like one of my own,
Where she'll never be alone.*

“ *To Moleisa and Garrett I pray God strengthens you as you endure the loss of your mother. Earth has no sorrow that Heaven cannot heal. I thank God for the time He allowed me to share with your mother. She was a daily part of my life and right now I do feel so lost without her. Take your rest Patricia my sister/bestie till I see you again. Love you!!*

*To the family of Beverly,
I thank you for allowing me to share some of your mother's time.
I really don't know where to start, but she was special to me and many others.
We shared so many laughs and memories, that I'll never forget.
She was my angel and friend, that never forgot to direct me into my lane. As I directed her to stay in her lane.
She was a part of my wake up calls and my good night call. Always receptive without any hesitation to show her love.
A true friend without any doubt in mind.
Never ending a conversation without a "Have a Blessed Day or Night."
Beverly I'll miss you my friend. You'll never be forgotten, but remembered forever.
Now rest peacefully in the arms of the Angels and don't forget to stay in your lane; until we meet again.

So sorry to hear about Beverly's passing. She put up a good fight for many years, but now God felt she fought enough and it was time to come home and have "Him" take care of her now! I worked with Beverly for many years at Ponds/Unilever! And after some of us retired, our friend from work, Pat, would have a luncheon at her home and a bunch of us would get together there and gab about all the antics we did and what was what at work! Rest In Peace, Beverly! We will all miss you. Anna James 🙏
