“ *Uncle Pete...I still can't wrap my head around the fact that you are gone...although you will always reside in my heart, I will surely miss your endless smile and your funny jokes...I can't imagine cookouts without you...I'm content with the time we did spend together and I cherish every moment we shared...I love you dearly, always had and always will...you're another angel God has called home....but please do me a favor and tell my grandma I said hello....I love you Uncle Pete!*
