“ It is with my deepest sympathy that I acknowledge the passing of Bond. He was truly a valued and dedicated employee of SCSU. It was my honor and pleasure to work with him in providing a safe, clean and healthy environment for our students, faculty and staff. Whenever we had the opportunity to talk in the wee hours of the morning I listened very carefully to what he had to say because his suggestions and comments made us a better department and I a better person. I regret not having the opportunity to talk to him again before his passing.

My thought and prayers are with you all at this difficult time. Bond simply was a great person.

“ I know that this is a sad day for your family. Facing the loss of a dear loved one is such a devastating event. I too have experienced such a loss. I am praying that your family will use the comfort from the scriptures to help you to endure....Rev.21:3,4

“ To the Family of Mr. Bond Buchanan Sr.

I Have A Place In Heaven

I have a place in heaven. Please don't sing sad songs for me. Forget your grief and fears, for I am in a perfect place; and away from pain and tears. It's far away from hunger, hurt, want, and pride. I have a place in heaven with the master on my side. My life on earth was very good, as earthly life could go, but paradise is so much more than anyone can know. My heart is filled with happiness and sweet rejoicing too. To walk with God is perfect peace, a joy forever new.

To: Shayrhonda and Bond Jr.

May God give you comfort and strength in the time of the passing of your father. We are sorry that we can't be with you in the flesh but knowing that we are there with you in the Spirit. We will continue to pray for you./ Your family from Clayton, North Carolina .
