“ To my Brother's family my deepest, deepest, sympathies. I am so sadden that I was not able to be with him prior to his passing. He was always a genuine and generous with his friendship with me. That never changed whether we had not seen each other in two weeks or two years.

“ *My Condolences go out to this beautiful family. I grew up with this family on Arthur St. Our families had the same values in life on raising a family. We were more than neighbors or friends. We were family. I pray for strength for the entire family and peace that surpasses all things. I Love you all. SIP Brydale.* 🙏🙏🙏
