“ I've known Miss Brenda for twenty years and she was always the same whenever we encountered one another, she never bit her tongue and always told you like it was... She was also a fair and compassionate person whenever you were down and out and willing to listen and hear you out but you could not be acting the fool with her because she would CHECK YOU on it.. I love you and miss you and i know GODS got you at his right side....Rest in peace forever and ever.....Rj*

“ To the family

I am very sorry for your loss. I will always remember Brenda. I used to work with her at Yale. Brenda has taught me so much. To this day I can still hear her voice telling people how it was while she was walking down the hallway. I had just talked to her not to long ago on Facebook and she put a smile on my face. This was a total shock to me. Rest easy Brenda. Watch over all of us . You will be missed but never forgotten.

“ To the Dunham Family

*I am deeply saddened to hear this news. Brenda and I worked together at Yale New Haven hospital many years ago. Your Mom was truly a bright spirit and a kind and loving soul, we shared so many laughs and there was never a dull moment when we spent time together. She spoke of her children often, she adored all of you. How lucky you are to have had a mother as wonderful as Brenda. You are in my thoughts and prayers.
