“ *Barbara,*

I am so sorry about the loss of your nephew. He was very close with my family when we lived on Tilton Street. The boys in the family called him Dude.

I just want you and your family to know that we are thinking about you.

Please know that Dude will be missed by those who lives he touched.

“ I am sorry I was not able to attend the services for Bryan Baker. Bryan worked with us in the Grounds Maintenance Dept. at Yale Medical School. All of the regular crew enjoyed working with him. He always had a new view on political matters and was very current on the latest conspiracy theories. A favorite of his involved the attacks of 9-11-2001. He didn't buy much of what the government had to say. Bryan had a great sense of humor and an equally great laugh. His laugh made people laugh. Although I only spent parts of a few summers in his company, I always enjoyed greeting him on the street (Elm St.?) or shouting out to him from a truck passing by him on the sidewalk. He told me briefly of the struggles his mother had and I was pleased that he felt comfortable in telling me these things. All of us were saddened to hear of his death and we will remember fondly the times that he worked with us. We have a picture in our shop of Bryan with us all gathered outside on a summer day. We hold the photo all the more dearly now that he is no longer with us. It makes one appreciate more keenly the brevity of our time on Earth.

My sincerest condolences to all of the family of Bryan Baker. The world has lost a bright, kind-hearted and funny man.

With best wishes,
Brian O'Neill
