“ To Danny, Fella, the Kelley and Jones family; my prayers and condolences go out to each and every family members of carita, Although we all may find it hard to believe that Carita is gone, we dare not question God's plan. My prayer for the family is that God will continue to give you the strength to make it through this difficult time. In closing i would like to add, no one knows when our day will come but the most important than anything in this world is that we Get to know the Lord in the pardon of our sins, he has a beautiful place prepared for those who chose to give their lives to him. May God bless you and keep you in his unchanging hand.

“ I can't believe this has happened, it seems so unreal to me, maybe because i'm hurt and confused all at the same time. Carita and I knew one another long before high school (Co-op). We were a crew Chereece, Ebony, Tamika, Roxie, Brian, Wayne etc... We haven't seen one another in years, but as Chereece said when we crossed paths, it was as if we never missed a beat. Carita always had this smile, when she smiled her eyes were so small you couldn't see them anymore. I'm truly hurt and i'm going to miss her very much, I love you Carita!

“ As much as I try to pretend this hasnt happened as I'm sure whomever will be reading this are in utter disbelief.
From as long as I can remember Carita has been my friend.
Growing up our mothers(Cheryl Jones & Karen) used to hang.. I remember hanging with the Kelly Family.. I mean growing up it has always been me, Carita, Shontae Corey and Ebony Kendall.
Although life happens, and we all have had different paths to take, whenever these paths crossed it was always love. Whenever I was at the Christmas Tree Shop, I saw my friend Carita silly as ever smiling that bright smile offering me a hug. we would chat for a few and we would promise each other we would call.
I now pray she hears my heart..
I love you Carita...
