

## Carolyn Williams

August 1, 1952 - November 18, 2024

August 1st, 1952 - November 18th, 2024

On November 18, 2024 Carolyn Williams was called back to her heavenly home. Born August 1, 1952 in Dunn, NC daughter of the late Bertha Williams and Floyd Rawls, she moved to New Haven as a young child and begin to flourish and develop into the woman everyone came to know and love. A graduate of Richard C. Lee High School, Class of 1971, Carolyn chose to further her education in the area of hair design, and enrolled in the Elm City Beauty Academy, and went onto a hair dressing career spanning well over 50 years. Everyone that sat in her chair to have their hair done walked away feeling beautiful, having a good laugh, and also having made a friend. She loved her craft so much so, that when offered the opportunity, she leapt at chance to own her very own hair salon "God's Quality Hair Design"; A dream soon turned reality. She had that unique gift, a light as some may say to brighten your day. To know her was indeed to love her.

Predeceased by her mother Bertha Williams, her father Floyd Rawls, Elmer Williams (brother), Raymond Williams (brother).

She leaves to honor her memory her daughter Myrles Bryant (Alfred Bryant), son Troy Williams, Sisters Antoinette McCray (Terry McCray), Robin Williams, her grandchildren Javon Williams and Latea Bryant, and a great

granddaughter, Sage Nelson. Also to honor her memory a slew of nieces, nephews and close friends to celebrate her life and cherish her memory.

“ Carol and I go way to the 80's as members of Community Baptist Church. Every summer the Church & choir would go to VA to join Rev Holmes home church where we would enjoy the service and sing. We would ride down on a greyhound bus and she was the life of the ride. Besides hair, Carol could sing and sing very well with or without the choir. Carol will be missed. Tony Burroughs & family

“ *My family and I express our condolence to Sister Carolyn's family. We fellowship together at Way of The Cross Church for twenty years. She was a person that reached out to help others. During the time of Covid when items were scares, she called stating that she was out shopping, and if we needed anything. That item that we could not locate she found and brought it to us. That was the person we knew and will miss dearly. She was one that would reach out to help others this is one story but we all at Way of The Cross can express so many kind acts that she so often expressed. Blessed are those who mourn, for they will be comforted Mathew 5:4*

“ My deepest Sympathys to your family. Carolyn along with being a terrific beautician was my Mom’s aide. She was amazing, loving, caring and at times a force to be reckoned with!  
Taught my mom to eat fried okra and we taught Carolyn to make great Matzo Ball soup. Yep we loved Carolyn...  
Carolyn and I even realized we competed in H S softball on opposing teams.  
May her memory be a blessing.
