“ *Please accept our heartfelt condolences. Carrie will always be remembered as a beautiful person and a lady with a spirit of joy. It was our pleasure to be thought of as her friends at work and hanging at the "Knickerbockers". We send our prayers for your peace from Jayne and Gladys*

“ *Ms. Carrie, I remember you from Legion Ave where you lived in that large tenement. You and Ms. Gladys. I lived around the corner next door to the gas station. I knew your boys when we were all growing up together. Haven't seen you in many years but still have fond memories of you. You were a beautiful Soul.*

“ Ms. Carrie you will be truly missed, your love will live through your 7 grandkids. I am indebted to you for life for the man your oldest son Kevin you bless me with. You were a woman who love and lived life, you were a very dedicated hard working woman who love your boys. Your unique ways is who made you who you were. God looked upon his garden and notice a empty space, Then God looked down upon this earth and saw your beautiful face he realize that the garden was missing a flowers so God put his arm around you and lifted you to rest. God garden must be beautiful now. God only take the best.. Rest In Paradise my flower. Mildred Spann

“ Carrie u have received ur wings and now reign in Heaven. U have been in my life a long time....First when we lived on Legion Avenue....on the first floor was ur family Spann's, Bectons & Menafees.....2nd floor was my family Robersons, Gomez and Lowes/Burns and on the 3rd was The Knox'x, their grandmother and the old white man in the corner....So many memories from the Legion Center and the way all u ladies came together to raise us children

Then u entered my life again when I came to work at St Raphael's hospital...U gave me a picture of me & Connie when we were young and u were in it as well....When I locate it I'm gonna share it with ur son Tyrone. U left St Ray's to work on the other campus so I didn't get to see u again.

When I think of our old tenement I think of all those that have passed on....Lena Gomez, her son Dickey, My brother Ray, Connie, Butch, their mother Pat and now u.

U have transitioned from this world to sojourn in Heaven.

Bless u and your family....I am so glad I had the opportunity to have known u all my life.

Sherell Nesmith "Roberson" 32-34 Legion Avenue.....this is where it all began.
