“ *Mother Turner was a beautiful woman with a heart of gold. She always had a way of making your day brighter by just sharing kind words and thoughts.*

*I remember Angelo and I going to see her on Sunday mornings before she went to church and no matter what happened throughout that week she had a greater week planned because she was on her way to church.*

*Her faith in God was strong and it showed.*

*Mother Turner has earned her Heavenly Wings and I believe the Angels are now celebrating her arrival...*
