“ *Sending love and prayers of comfort to the Family! Cecelia, Phyllis Dennis, Teresa Madden and I were always together in our teen years. We had good and special times, as those were the good old days. As we got older and started our families, we drifted apart. But when we would see each other the Sister Love was just as strong! This picture was taken at one of those times! Phyllis is not in photo as sadly, we lost her quite a while before this. Ceil was a beautiful, caring, sweet lady, always smiling, fun and a loyal friend full of love! You have to smile when you think of her! Rest in peace Dear Lady*
