“ Carolyn and Eddie: I cannot begin to understand what you are going through. I didn't know your daughter even though I met her. Just know that if I could be there, I would, but, I am so tired of the passing of our young people, I can't handle it. After my mother passed, I can't and refuse to do it anymore.... it's not about me, it's about you! Please accept my condolences and you are on my thoughts and prayers?
