“ *Hello mother (Severina Smith),*

*Its Felis Brito. I was Christine's significant other in the past. I don't know if you remember me, but I used to come by the house often. I moved away but then I came back. I just heard the news that Christine passed and I am deeply sad and affected by it. It is also sadly ironic because I was just thinking about Christine recently and I was looking to find her. But I did not know that she was sick. Christine was a great woman, lovable, friendly, caring, and a fun person. We really shared a special moment together. My condolences goes out to the family, specially, to you mother, (Suen, Shayna, Christina) and the rest of the family and I pray that you find peace soon. Take care...*
