“ I've known Chris since we all work at Leon's bakery in Hamden, our friendship kept growing and growing. He was so funny, I mean drop to the floor funny. One of the many funny things he would say was: Look at that cheap guy right there, walk right up to him and say, you look cheap. The way he said it was something that I'll never forget, we went on to have many extremely funny epts. Especially the guys who work with us, that were from the vill, we were the tray, and boy by the end, Cris myself and Gene made a bankroll off those cats. smh. Boy will I miss him coming by the barber shop, everyday off work, and he would say, just look at you, Cheap guy. lol, As I was texting this I was smiling and laughing until I just noticed that he's no longer here with us to make the crew Lough at his antic's. A smile is just a frown up side down he would say time to Time. I just got it. tears. ill see you later C.B. smh. wow, it still hurts. wow. up side down, you were right C.B up side down.
