“ Praise the Lord, Family!!

*It is with joy and sadness that I send these condolences to all of you. Joy,that Sis. Belle has finished her course and is now with our great and matchless Savior and waiting for the rest of us to join them in the air at that great rapture! Sadness,that we cannot have our dear sister to talk, eat,and laugh with on this side of glory any longer. Thanks be to God that we don't sorrow the same way as those without hope for we know that she is in a blessed place because the Word of God tells us in the Psalms that blessed are they which die in the Lord for they rest from their labor and their works do follow them. Sis. Belle lived a good AND Godly life before us here on earth and I will never forget the time we spent as neighbors on Shepard St. along with Sis. Virginia. We really had some good times! Family, know that we share very deeply in your loss. (It is our loss here in the state of Virginia as well.) Our continued love and prayers are with you at this time. We really wanted to be there in person with you but circumstances would not allow it. Remember that we love you and if there is anything we can do, please call and let us know!*

*With sincere empathy and sympathy,*

“ *The sun is shining a little brighter because God brought another angel home. Even after we lose one we hold very dear, The warmth of their love keeps their memory clear. To let you know many caring thoughts are with you, today and everyday.*
