“ Big Bro it has been 10 months since you have been gone and words cant explain how much I miss you. I never thought I would have to deal with losing someone so special at an early age. I still cry when I think about you or listen to certain songs that bring back memories of what you truly mean to me. I still see that big smile, and hear that joyful laugh. The world wont be the same without you, holidays arent the same. I truly love you and miss you so much.

LOVE ALWAYS  
YOUR LIL SIS

“ to my brother "corey" you will be truly missed!!! i still don't understand why you had to be taken from us the way you did. When people normally die and they are a believer of God we intend to say "God never makes a mistake" now this is a hard one for me to swallow because now i have to tell myself this. On wednesday 12/9/09 when you ate dinner with me and Errin God was preparing me for this. On that night two days before God pulled you out of this evil world we had a loving bond that we haven't had in a while. God knew there was some things that you needed to straighten out and while you were here being distracted he knew you weren't going to get them done so he took you. You are resting now "peacefully" and everyday I'm praying for that peace to fall on me because i feel like I could have done MORE!!! I'm taking oneday at a time because never in a million years did i think you were going to be the next victim to this shameless city. I will continue to keep your name alive because on the day of your celebration of your life, your friends came out and you were well known and loved by them . Corey by the way you looked fly in your church clothes (lol) I see you everyday in your daughters and they will always know you through me. I love you and miss you. EVERY MONTH ON THE 11TH I WILL LIGHT MY CANDLES IN REMEMBERANCE OF YOU, MY BABY BROTHER. MOMMY WOULDN'T HAVE IT NO OTHER WAY.
