“ Was deeply saddened to hear of Cynthia's passing. She was my childhood friend who was very caring to bring my homework home, when I was sick with the mumps. Well as faith would have it Cynthia got the mumps also. So I said to my childhood friend rest on a job well done. To the family take solace in knowing that you had this wonderful women for 60 years of joy and pain of losing her. God Bless you all.

“ I would like to send my condolences to the family. When someone we love dies its very painful. But the Bible talks about God doing away with pain at Rev 21:4. May the God of comfort provide solace to your family at this time.
