“ To Charles (Ponch), Mark (Bootsy) and the entire family: I'm sending my heartfelt condolences, love and prayers for the death of your mother. I thank God for the life of Cynthia and for the lifetime of memories and experiences that we were blessed to have shared. She possessed a kind heart and an uplifting spirit. She had the unique ability to make me laugh and feel better at some of my lowest times in life. I respected her and her brutally honest opinions! Lol She was beautiful, stylish, and compassionate. But she was no nonsense too when it was necessary. The love she gave to me and my family was well received and returned. I will cherish her memory until I die. The love will last throughout eternity because love can not die. May God grant her peace and bring us all comfort. Forgive my absence. As you know, my losses have been overwhelming recently. Physically I am not able. Love, peace and blessings. Always, (Aunt) Theresa Faison 🙏💔😭🕊️🤔
