DarMichael Treykeise Mims was also known as Trey has suddenly went with the Lord on July 18th 2024 DarMichael Treykeise Mims was 29 years old so full of Life DarMichael was born in New Haven, Connecticut on August 7th, 1994 to Ronice Johnson and DarMichael Mims.

Darmichael attended New Haven public schools and graduated from East Haven pathways DarMichael was an affectionate, funny, loving and caring person who had the biggest heart and love for anyone who knew him, even if you didn't. If you had ever been around him, he always brought the biggest brightest smile and laughter to yours even when you were having a bad day he loved being silly and making others laugh and bringing them Joy. He loved to listen to music riding bikes popping Willies from block to block He love to color. It will help him cope with anxiety. He would always ask me to buy him gel pens and of course I would he was everything I asked God for and more he would take tons of pictures with everyone even if he didn't know you he was so amazing So generous to us all and then some. He had a lion's heart he is also a Leo. He absolutely loved and cherished family. The best thing he brought in many lives were a million laughs. He was just the life of the party. The laughter and Joy he brought to any occasion was astonishing the loss of a son/brother/friend/father... Feels like we have lost our smiles forever, but while the sadness of his presence remains, our bond is what gives us all strength and comfort. Darmichael Treykeise Mims leaves to cherish his

A poem for my son Darmichael Treykeise Mims: The days will always be  
brighter because he existed. The nights will always be darker because he's  
gone and no matter what anybody says about grief and the time healing all  
wounds. The truth is there are certain sorrows That never fade away until the  
heart stops breathing and the last breath is taken away....

In memory of my son Darmichael Treykeise Mims: Son, it's sometimes hard to  
know why somethings happen as they do... for so much joy and happiness  
was centered around you.... It seems so hard to comprehend that you're no  
longer here... but all the happy memories will help to keep you near... your  
thought about with pride son....With each mention of your name, death cannot  
change a single thing and the love will still remain the Same...Rest up my star  
child. Mommy loves you now and in Eternal life until we meet again
