“ I am deeply saddened by the passing of Darrin Morrison. I knew Darrin from the time he was 9 years old. He was a terrific baseball player and in my 35 years of coaching he BEST HITTER I ever coached. When he was 14 our allstar team travelled to New York to play in a tournament and he and I shared the same room. I got to know a different side of Darrin and we were friends for all his life. My condolences to his mother Elizabeth who is a wonderful person in her own right. Im sure god will welcome him into his kingdom now but he will be missed dearly. I will never forget you Darrin!
