“ *Dave: I keep looking at GSP's door, wishing to see you and  
dropping things on the floor. We sat in the same office for some  
many years. Laughing and joking, now I am all in tears.  
Fe, let me get a dollar, I'm going to the corner store  
Here, bring me back something, you never asked for more.  
These past few months, has took a toll on us  
We worked, we grind, never once did we fuss.  
Dave, you will be missed  
I Love you and sending out the greatest Kiss.
