“ Heyy Uncle its Zha, I miss you so much I remember seeing you pick up Ezra and we would all go to the pizza place together after Ezra's ballet recitals, u really inspired me to be a boxer. its so sad that your gone you were so kind hearted and funny and confident. Ezra is so sad your gone but we always remember you in our hearts, funny thing is when i had a fight i thought of you, I'm like "my uncle really gone and me and everyone have to keep him in our hearts" but now that ur dead it hurts i was so shocked and its sad to not see you and Ezra bonding cause she was so happy i love you so much, ur in a better place now.
