“ *listen i may have not known him for a long time, but he was family and to see this online when i am doing a school project is sad. having a death in the family is okay and you shouldn't have to go through it alone. i am his great great grandson .*

“ *To the Melton Family*

My name is Nateisha-LaShay. You probably remember me by my old name (Pennie Melton). I send my deepest sympathy to all of you, but I send encouragement as well, knowing that Granddad Melton is in a much better place and that if we stay faithful to the One and Only true God, that we will see him one day again. My sympathy as well as my love spreads abroad to the entire family, especially Francine, Tanya, Badine, Alexander, and Dennis. Deacon did his part on this earth and that's why it was time for him to go home. He shared with many, gave to many, prayed for many, and he also brought souls to the Lord. I known him to be a great Prophet and that's how I will remember him.

God Bless You all!

Nateisha-LaShay
