“ Riquee, Dee Dee & Brenda,
Your mom touched many people with good humor and kindness. I was very fortunate to be a recipient of this. Her personality is one part of her that she has passed down to three lovely daughters. My condolences go out to you and your very large extended family. A special note to my Riquee, I love you and you were very good to your mom taking care of her many times when she wasn't well and in the hospital. She will be missed but not forgotten. God Bless and much love, Ellen Bean

“ To our extended family, we are wishing you all peace at this time of deep and personal sadness. She was very special person to us, and we're sending you our warmest thoughts and best wishes for brighter happier days. never forget she's never forgotten and each day holds the promise of a brighter tomorrow. When life is the way we want, someday we will all be together, hand in hand and this time apart from our loved one will be nothing but a memory, the time a head of us, a gift made even more beautiful by the wait.
