“ Cuz its hard to believe your resting in peace but one thing I do know your no longer in pain. I enjoyed all the time we had growing up as young and old..It hurts but God knows best for you it's not about me and coming home definitely won't be the same cause I won't be able to come see you and we talk about the times we shared hanging in New Haven..I love ❤️ you to the moon and back..RIP Cuzzin

“ I Remember taking care of Miss deb in the hospital laughing, talking junk as usual. The most important thing is she had the best taking care of her and she thanked me. Also remembering her at cookouts how she likes to have a nice time with family and friends coming together, Raj
